XOMONNOY

AN ALUMNI NETOWRKING SITE

Team Bit & Byte

- Bishal Hazarika

- Dishanka Kalita

- Nabajyoti Machahary

- Bhupali Sarma

Problem Statement

Develop a **Alumni networking site** for alumnus of ETE and CSE departments with features such as an Alumni profile page with **personal bio**, **notice board**, and a mass emailing feature for admins to be used like a **newsletter** or important announcements providing the alumni and current students a way to **connect** with each other.

Notice Board

Job Notifications

Student Alumni Mentorship

Alumni Directory

Helping Hand

Reminiscing Memories

Testimonials

Alumnus of different batches will share their words. They will share their personal experiences and express their satisfaction with the the department, professors and the the facilities here.

Notice Board

Notice board is a hub of important informations. It will provide informations regarding important dates, announcements, opportunities of any jobs and events.

Job Notifications

Alumnis can help students of their college with job opportunity in their companies or other where they are working. They can post the job opportunity in our website with all the necessary requirements for the job. Students can see those post in the website and grab the chance.

Student Alumni Mentorship

Student of the College can talk directly with the Alumnis through our In - built chat feature. Alumnis can help and guide the students in their preparation, job interviews and much more. Thus, maintaining a healthy community.

Helping Hand

Alumnus can land their hands for help for the development of the department and the college.

Not only with finance, but also with network and necessary equipments.

Reminiscing Memories

Alumnus can share their memories of the time they had spend in this college,with the department of ETE and CSE.

Alumni Directory

Alumni directory is a database or directory that contains information on former students of our college. It typically includes information such as the alumni's name, contact information, academic background, employment history, and other relevant details.

Admin Panel

- Only Alumnus (apart from management team) will be able to login as as Admin.

- Only admins will be able to use the following features:
  a. Reminiscing memory
  b. Push Notification
  c. Testimonials
  d. Helping Hand

Thank You
